

Miriam McCall-Tyson Scholarship Fund

Hello Family:

It was good to visit and fellowship with those in attendance at the family reunion in Jacksonville.

I pray that each of you returned home safely and has fond memories of the reunion.

Pursuant to discussion at the family reunion, the scholarship committee is prepared to move forward and make it's initial disbursement(s). Any family member who will be entering a institution of higher education this year is eligible to apply for consideration. As we indicated at the business meeting, the scholarship fund has not grown at the level we envisioned.

However, we believe feel the family will benefit from the scholarship fund, which will provide a level of financial assistance to deserving young adults in the family who are pursuing their educational goals. Those interested in applying for consideration for scholarship funds should submit a application along with proof of attendance/acceptance at a institution of higher education to: Velma T. Grant, 3339 Lakemar Place, Jacksonville, FL 32208-2065. Please refer any questions concerning the scholarship fund to: Marvin Tyson, 407-886-8362, email: tysonfamily@hotmail.com; or to Velma Grant, 904-768-7895.

Sincerely,

Scholarship Committee
